dated March 19, 2009 in connection with Cessation Order #10034 is the subject of an ongoing appeal before the Board of Oil, Gas and Mining.

You will note that the payment of the identified assessments is being made by Kenneth A. Rushton, Chapter 7 Bankruptcy Trustee for C. W. Mining Company. While the Trustee understands and acknowledges that C. W. Mining has been the designated permittee for the Bear Canyon Mine at the relevant times of the identified violations, it should be noted that violations #10031 and #10037 were committed by Hiawatha Coal Company while it was in wrongful possession of the mine. Notwithstanding the Trustee's appointment in November 2008, Hiawatha Coal Company refused to recognize the Trustee's authority to possess and operate the mine for the benefit of the bankruptcy estate of C. W. Mining. Of further note, violation #10068 occurred after the Trustee transferred possession of the mine to Castle Valley Mining LLC, an affiliate of Rhino Energy LLC. In both cases, the Trustee has not been in a position to prevent the identified violations. Nevertheless, as the holder of the permit, the Trustee has elected to pay the identified assessments under protest, specifically reserving all rights that the Trustee might have to recover, or obtain reimbursement for, the payments made and further subject to further orders of the Bankruptcy Court.

If you have any questions, please feel free to call.

Sincerely

PRINCE YEATES & GELDZAHLER

Christopher A. Jones, Esq.

Cc: Kenneth A. Rushton, Trustee
